'**Sweet Love**' is the brand new single to come from South London Afrobeats Pop artist **Debbi O**. This track is rooted in 80s nostalgia mixed with modern day Afrobeats, and was inspired by Sades' 'Sweetest Taboo'. With sweet and soulful vocals, '**Sweet Love**' is moving and passionate, and fills you with the warmth of love. **Debbi O** worked with three producers on this record, learning that sometimes the recording process isn't smooth, but it certainly was worth the journey. '**Sweet Love**' will be available on all major platforms from the 3rd September and is sure to kickstart an exciting new chapter for this artist.

Creating music straight from her soul, **Debbi O** is following up her 2017 debut single 'Lethal' with brand new track '**Sweet Love**'. Describing her music as a blend of slow ballads, R&B, Pop and Afrobeats, she brings life to the music that she dreams up. Forever writing hooks and coming up with new melodies, she pours her heart and soul into her music. **Debbi O** has previously performed at Black Cultural Archives and is looking forward to more live opportunities as we start to open up after lockdown! Stay tuned, there is plenty more in the works from **Debbi O**.
